## What is on the docket for 2005?

Lawmakers are beginning to work on legislation for the 2005-06 Cycle. As a local official, you understand how important it is that your elected state leaders understand your needs at the local level. In order to fulfill my duties as you state senator, I need to learn what your priorities are for 2005.

Please send me your municipality's legislative agenda for the year. I look forward to learning what your goals are and to see if there is anything I can do to assist you in your efforts.
